

SINTERED TURBO ES101 BLADE

DIAMOND VANTAGE NEW SINTERED TURBO BLADE

- The new CSZ1-2 made a single cut just as fast as our laser welded blade. Because it's sintered, this speed is available at a more affordable price.
- Wet or Dry use.

Application

General Purpose, Brick, Block, Soft Concrete

SIZE	PART NUMBER
4 x .050 x 7/8-5/8"	0408CSZ1-2
