

DIAMOND VANTAGE® NEW PREMIUM POOL PADS

DIAMOND VANTAGE®

WE NOW OFFER 2 TYPES OF HEAVY DUTY PROFESSIONAL GRADE PADS FOR POOL INTERIOR FINISHES.

RESIN MATRIX PADS

- These 7" pads are the first resin pad made specifically for the swimming pool industry.
- 3mm thick resin for long life.
- Premium grade materials for fast removal.
- Non colored resin leaves no stains or bleeding into plaster.
- Available in 50, 100 and 200 grit.

Part Number	Description
S-7WRP-50	7" x 50 grit
S-7WRP-100	7" x 100 grit
S-7WRP-200	7" x 200 grit

ELECTROPLATED PADS

- These 7" and 9" pads are made of diamond grit electroplated directly to metal foil with a heavy duty Velcro backing.
- Electroplated pads are the most aggressive pad on the market.
- Highest quality diamonds available for hyper speed.
- Designed by professionals for professionals.
- Available in 7" and 9" in 40, 60, 100, and 200 grit.
